

## Oversight

The leadership team stewards and cares for the coalition by providing direction, accountability, and representation for the organization.

### **Direction**

The leadership team provides direction by listening to the voices of the Spirit, the churches, and the community, guided by The Church Responds shared principles and key priorities including:

- Preparing churches to respond to crises in their communities
- Cultivating a collaborative team-based approach to church engagement
- Appealing to the majority and diversity of local churches.

### **Accountability**

The leadership team is accountable for fulfilling its purpose by:

- Guiding the coalition according to the Shard Principles
- Identifying and equipping leaders to fulfill the essential functions
- Wisely stewarding the resources entrusted to it.

### **Representation**

As the coalition becomes established, the leadership team represents it to:

- Other non-profits, agencies, and partners
- Other coalitions and The Church Responds
- Potential donors and supporters.
